

COONHOUND & *Foxhound* COMPANIONS

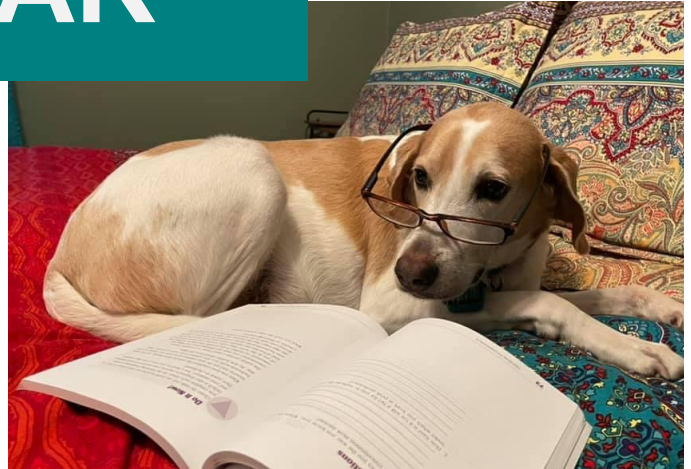

is tracking down pictures for the
2023 CALENDAR

Coonhounds provide comfort, amusement, and companionship to their family and friends. Whether your hound excels at canine sports, serves as a therapy dog, mentors other family pets, or simply provides the world's best snuggles, we want to see your pictures!

CONTENT

Help showcase a coonhound's versatility as a family pet. The calendar features all Coonhound breeds of all ages – puppies to seniors. Show us your Coonies interacting with kids and kittens, assuming contortionist poses on the couch, showing off their good looks in seasonal settings or spectacular scenery, playing with toys, hanging out with non-Coonie canine housemates, participating in dog sports, making therapy visits, or simply being irresistibly loveable or quirky. Family hounds in hunting settings are welcome as long as dead prey are not included.

SPECIFICATIONS

- Horizontal format is preferred, but we will handle the cropping if the photo is vertical.
- Files should be a minimum of 4MB, but the more pixels the better for enlarging or cropping.
- What looks good at screen resolution isn't always suitable for printing. Zoom in close to see if the subject stays sharply in focus.
- For indoor shots, an uncluttered background is usually best

PERMISSIONS

Submitting your photos constitutes permission for Coonhound & Foxhound Companions to publish the images in our 2023 calendar as well as other related non-profit promotional efforts including, but not limited to, web and print media such as the CC website and Facebook page, breed identification posters, hound ownership information, etc. If your photo includes people, secure their permission prior to submission.

You will not be paid for your photo. ***The primary purpose of the calendar is to get hounds out of shelters and into good homes by raising awareness of their suitability as family pets. Any profits support our Long Ears Alive Fund.***

SUBMISSION

1. Please select a handful of your favorite photos
2. Give each photo a file name that allows for easy identification (dog's name, breed, etc.).
3. Post the photos in a Dropbox folder identified with your name. Dropbox (www.dropbox.com) is a free application that is easy to use and eliminates the need to transmit large files through email.
4. Once your photos are in a Dropbox folder, simply 'share' the folder with us at coonhoundcalendar@gmail.com

Dropbox has an excellent 'help' feature. We are happy to assist as well; contact us at the email address given above.

Deadline for submission is September 1, 2022

But don't delay – send your photos as soon as you can. We're eager to see your wonderful hounds!
